

## Inclusion Support Highlights

- To ensure a successful fit, families will be involved in an intake process to help us learn more about your camper.
- Accommodations and supports may include:
  - ⇒ A proactive, individualized and positive approach to behavior modification
  - ⇒ Training on inclusion philosophy and strategies provided to counselors.
  - ⇒ A preview tour for individual campers prior to camp start date
  - ⇒ Visual schedules, self regulation strategies, and reviewed expectations used for all campers
  - ⇒ Specific accommodations can be implemented on a more individualized basis after the intake process
  - ⇒ We will be providing Inclusion Specialists at CGC and Quincy locations to offer support to both counselors and campers throughout the day. These specialists are overseen by a full time inclusion coordinator.

### INCLUSION SUPPORTS STATEMENT PARTNERSHIP TOWARDS SUCCESS

Families and identified support systems partner together with inclusion staff and the camp director to provide campers with diverse abilities a support plan allowing the opportunity for a successful camp experience.

We require at least 2 weeks notice prior to the first day of camp for a successful intake process.

A copy of the camper's IEP is required as part of the inclusion support intake process.
