Reminder: Fall Registration

is Now Due!

If your child will not be attending ELC for the summer but will be returning to the Early Learning

Center-North Quincy in the fall, please return your completed registration packet and tuition deposit to Gillian. We are starting to make plans regarding placement for next fall and need this information. Thank you!

Art Show
Thank You!

Thank you for attending the ELC's first Art Show. The Art Show is a wonderful opportunity for children to showcase their creative sides to their families. Watching the children and families flow through each classroom, admiring the work of each student made us all at the ELC proud.

The Art Show is also a wonderful opportunity for families to learn about the South Shore YMCA Annual Campaign. Funds raised through this campaign help make it more affordable for many families to send their children to the Early Learning Center through scholarship support. Please consider donating to the South Shore YMCA. Your contribution will help a family in our ELC community. Pledge cards can be returned to Gillian. Please ask for a pledge card if you did not receive one at the Art Show.

Free Fun Fridays

Enjoy some free family fun this summer in and around the city of Boston. Some of

the Free Fun Friday activities include:

Boston Children's Museum, Peabody Essex Museum, The Eric Carle Museum, Buttonwood Park Zoo and the Ecotarium. Please visit www.highlandstreet.org or call 617-969-8900.

Water Play Wednesdays

We will have Water Play

Wednesdays on the playground for all children, Toddlers through Preschool. Starting on June 20th (weather permitting), these fun water play days will consist of sprinklers, water tables, and bubbles galore! Please send your child to school with their bathing suit on under their clothing, sunscreen applied, a towel, and a change of clothes.

Reminder! The ELC will be closing early on Tuesday, July 3rd at 3:30pm, and will be closed on Wednesday, July 4th in celebration of Independence Day. We will also be closed on Thursday, August 30th and Friday, August 31st for Getting Ready for School Days.

Have you taken out your child's summer clothes from last year and nothing fits? The center is looking for donations of extra clothes especially bottoms: pants, shorts, skirts, etc.

Sunscreen/Insect Repellent

The ELC- North Quincy requests that families apply sunscreen with UVA and UVB SPF 30+ before school. The staff will re-apply sunscreen prior to heading outside. The sunscreen that will be re-applied will have UVA and UVB SPF 30+. All children must have signed permission slips located in their file. The ELC does not apply insect repellent. Should there be a warning regarding high levels of insects (mosquito's) the ELC children will not be going outside.

PAINTING WITH WATER

- Gather your materials. You will need some water, and a variety of paint brushes (make sure they are clean you don't want to really paint your house).
- Dip your paint brush into the water and start painting! Fences or other unpainted works the best because it will darken when "painted"!

Please feel free to reach out with any suggestions, questions or concerns!
