February 2017 Edition

Fall Enrollment at the ELC

Enrollment packets for current students who will be returning are due Friday, February 24th. On Monday, March 6th we will be reaching out to those on the waiting list to fill open spots. Thanks!

The season for fall 2017 registration is upon us! If you plan to enroll your child at the ELC for the upcoming 2017-18 school

year (starting September 4, 2017), all families must complete a new enrollment packet and submit a \$60.00 annual registration fee in order to secure their child's enrollment. **Please note that in order to be registered for the next school year, Laurie Fournier must have the \$60.00 annual registration fee (\$100.00 family limit) and the child's enrollment information.** Once we have your child's enrollment packet and annual registration fee we will be able to make plans to place them in their appropriate classroom for the next school year.

February Family Play Date in the KidZone

Join other ELC families and have some KidZone fun on Saturday, February 25th from 8:30-10:30am. This is a great way to meet other families, or to make a plan to get together and play!

Books for Birthdays at the ELC!

We love celebrating birthdays at the ELC and here's how we do it... if you wish to acknowledge and celebrate your child's birthday at the ELC please bring in special birthday napkins to the classroom. We will use those to serve with the class' regular snack on that day while we sing Happy Birthday! In addition, you may wish to purchase a book for \$5.00 at the front desk to donate to your child's class in their honor. During each month of the year, ELC will feature different high quality children's books in our Books for Birthdays Program.

Here's How it Works...

1. Purchase a Book at the front desk for \$5.00.
2. A special happy birthday message will be placed in the book honoring the child.
3. The book will be donated to your child's class.
4. The book will be read aloud on the child's birthday by the teacher or the child's family member.
5. Everyone will sing "Happy Birthday" together!
6. The book will remain in the class for future enjoyment by all.

Featured Books in February:

Reminder!

Early Learning Center Swim Reminders

ELC swim is one of our programs that distinguishes us from other early childhood centers. It is a wonderful

opportunity for children to learn about water safety and the beginnings of becoming an independent swimmer! Our teachers put a great deal of effort into these lessons weekly to ensure that they run efficiently and safely. Wondering how you can help?

Here's how:

- **Children who are swimming must be at school no later than 9:00am on their swim day.** This allows us to plan the group make-up, how many trips need to be taken to Emilson, and how many lessons will need to be taught by Emilson Aquatics Staff. **If your child is not at school by 9:00am on their swim day, they will not be able to swim on that day but will stay back with a preschool teacher engaged in activities.** In order to ensure that our lessons run smoothly and in a timely manner, we cannot make exceptions to this rule.
- **Send your child to school with their bathing suit on under their clothing.**
- **Clearly label all of your child's belongings.**
- **Place underwear, pull-ups, swim diaper, and towel in the labeled swim bag that was provided by the ELC.**

Thank you for your help in making our ELC swim lessons a success!

Know How to Stay in the Know About Snow Closures at ELC

Please note that all updates regarding ELC closures will be posted on the website at www.ssymca.org As email blasts to families are not always an option during a large storm we rely on the website as the consistent means of

communicating this information. In addition, to be added to a group texting service to receive text message updates, text the message @ebed8 to 781-558-9920.

Set the Stage for Good Behavior Every Day!

Some Preschool Friendly

Tips:

- **Use Teachable Moments:** Talk about the good behavior you expect or see around you whenever you're together. The message will sink in more when you are both calm and relaxed.
- **Follow a Routine:** Knowing what to expect helps your child feel safe and confident.
- **Give Your Child Choices:** These should be simple, safe choices (what clothes to wear, what games to play).
- **Aim for a Balance of Active and Inactive Play:** Limit your child's screen time to 2 hours of educational content a day (or less). Any more than that will take away from his or her time for active, energy-burning play.
- **Recognize Good Behavior:** Although behaving well should be its own reward, small rewards can help young children along the way. Examples are your time and affection!
