SOUTH SHORE YMCA QUINCY & CANTON 2012 SUMMER DAY CAMPS

Welcome to Camp! — From the Director

Each summer at the South Shore YMCA, Summer Day Camps are specifically designed to provide a safe and fun environment to offer opportunities for young people to try new things, learn, grow, and make friendships that last forever. Our philosophy is that we must make the most of our opportunity to have a positive influence on the lives of children. Everything we do here at camp—every activity we lead, every decision we make, every policy we apply—is guided by the firm belief that we are responsible for the children we lead. We are responsible for showing them how to be honest, caring, respectful, and responsible members of the community.

Sure, camp is a time to enjoy the warm summer sun, hang out with friends, swim, be active and take part in some pretty cool activities, but there's more hiding behind the curtain. Camp is a place for children to make friends, to try new things, to explore, to take risks, to actively use their imagination and to be themselves. Add the support and encouragement of positive adult role models, and all these ingredients come together to boost confidence, self-esteem, social skills, and overall emotional intelligence.

Whether you are a seasoned camper, new to the South Shore YMCA Summer Day Camps, or to the camp experience, we welcome you and look forward to another fantastic summer!

—Brendan

Brendan Casey is the Director of Day Camps for the Quincy Branch and oversees both our Quincy and Canton sites. Brendan has been with the Y since 2004, primarily in a camp leadership capacity. He is no stranger to summer camp. Starting as a three year old camper, he has worked his way through the camper, Counselor in Training, Counselor and Director ranks — not missing a summer since his first experience 29 years ago. Brendan is a graduate of Bucknell University and is currently pursuing a Masters of Education, with a concentration in Experiential Learning.

Our Camps: At camp, safety is our number one priority. All of our camps comply with YMCA Day Camp and Mass. Department of Public Health Regulations. In addition, our two facilities are licensed by the Board of Health of their respective city/town.

Our camps are outdoor recreational camps. In the event of inclement weather, the camps will use tents for activities when possible. Severe weather conditions may dictate the use of indoor facilities for some or all of the camp activities.

Our Staff: We hire counselors who are positive role models, dedicated leaders, and enthusiastic teachers. All staff participate in a comprehensive staff training program. Our counselors are fun facilitators who are mature high school students, college students, teachers and adults with a experiential learning, camping and recreational backgrounds. Counselor to camper ratios are 1:5 in Trailblazers and Pathfinders, and 1:10 in all other groups.

**NEW CAMP LOCATION!
SAME GREAT CAMP!**

We are extremely excited to announce that our Quincy camp program has been relocated to Eastern Nazarene College (ENC). As construction begins on a new Quincy Branch, we have worked tirelessly to ensure that a high quality camp option could continue to run in Quincy.

Facilities: ENC offers fantastic indoor and outdoor space including classrooms, multi-purpose rooms, a gymnasium, an auditorium, outdoor sports fields, and ample shaded grass areas. As ENC does not have a pool, campers will be transported to the Y for instructional and free swim in our 2 competition size swimming pools.

Directions: The ENC campus, a short 5 minute drive from the Y is located on East Elm Ave, off of Hancock Street in the Wollaston area of Quincy.

Public Transportation:

Via the T (about a 12 min walk):

- Take the Red Line to Wollaston Station.
- Walk to Hancock Street (via Beale St.) and take a right.
- Take a left onto Elm Ave.
- ENC will be about 1/3 mile up on the right.

Nearby T Bus Stops:

- Route 210 @ Hancock & Elm
- Route 212 @ Elm & Staunton

BEHAVIOR CONTRACT

A high quality program can take place only in an orderly, mutually respectful, caring environment. Child guidance is a process whereby children take increasing responsibility for their own actions. It is a cooperative process in which all staff members, children and parents share the responsibility. At the South Shore YMCA, we take the happiness and safety of your children seriously and, therefore, work hard at creating a safe and fun camp environment. Along with our efforts, we need the campers to help us by following some simple rules. Below is our behavior agreement. Please read our behavior contract with your child and ensure they understand camps behavior policies. Thanks for helping us help your child have a great summer!

- I will listen to the staff and follow directions.
- I will respect other people's belongings by not touching/using their stuff without permission.
- I will respect camp property and help clean personal messes and assist in leaving areas better than I found it.
- I will respect others' personal space by keeping my hands and feet to myself.
- I will act in a caring way and not hit, fight, bite, tease or harass or bully others.
- I will use my indoor voice when speaking inside camp facilities.
- I will use appropriate language, which does not include swear words or negative remarks (ie. "Shut Up", "Stupid", "Dumb", etc.)
- Before leaving the room, tent or program space, I will ask a staff member for permission.
- I will respect others' feelings by having a positive attitude when talking to them.

Not abiding by these rules may result in suspension and / or termination from the program. All incidents will be handled on a 3 incident system, except hitting/fighting. Hitting/fighting will be an immediate 1-day suspension from the program. All other incidents will be handled as follows:

1st incident VERBAL WARNING 2nd incident WRITTEN WARNING / PARENT MEETING 3rd incident 1-DAY SUSPENSION

Camp management reserves the right to dismiss/disenroll a child from camp if the child's behavior is disruptive to the camp program and/or compromises the safety of themselves, other campers, and/or staff. Children suspended/terminated from camp will not qualify for a refund.

I attest that all required information and documents are included with this summer camp registration packet. I agree to the payment policy (p.12) and understand that by not including all required information and/or not following the payment schedule will result in my child not being able to attend camp. In addition, I have reviewed and understand the Policies & Waivers (p.12), as well as the Behavior Contract (above).

SOUTH SHORE YMCA QUINCY & CANTON FREQUENTLY ASKED QUESTIONS

Q. What do the kids do during the day?

A. Traditional Day Camp groups rotate between a variety of activities over the course of a day such as swimming, arts & crafts, sports, new games, drama, teambuilding, and other group activities. We have a different theme in place every week, and most of the daily activities revolve around this theme. On Fridays, we try and do a lot of camp-wide special events that wrap up our week's theme.

Sports and Specialty Camps have a specific area of focus each week. Led by specialized staff, campers spend half of the day working on learning new skills and concepts relevant to the specific camp. During the other half of the day, campers take part in some of the Traditional Day Camp activities mentioned above.

Q. Will my children learn how to swim?

A. At the South Shore YMCA Summer Day Camps we run a 'Go For Green' modified instructional swim. Children will be evaluated at the beginning of each week and will be split into red, yellow and green groups, based on swimming ability. Lessons are led by certified swim instructors with assistance from counselors. Lessons will take place for the first half of each swim period. During the second half, children have the ability to either practice their newly learned skills or just enjoy the water. Please note that these lessons are not the same as standard lessons by the YMCA but modified to work effectively for camp.

Swim group breakdown at the **START** of camp 2011

Swim group breakdown at the **END** of camp 2011

Q. My child can't swim!! Is that OK?

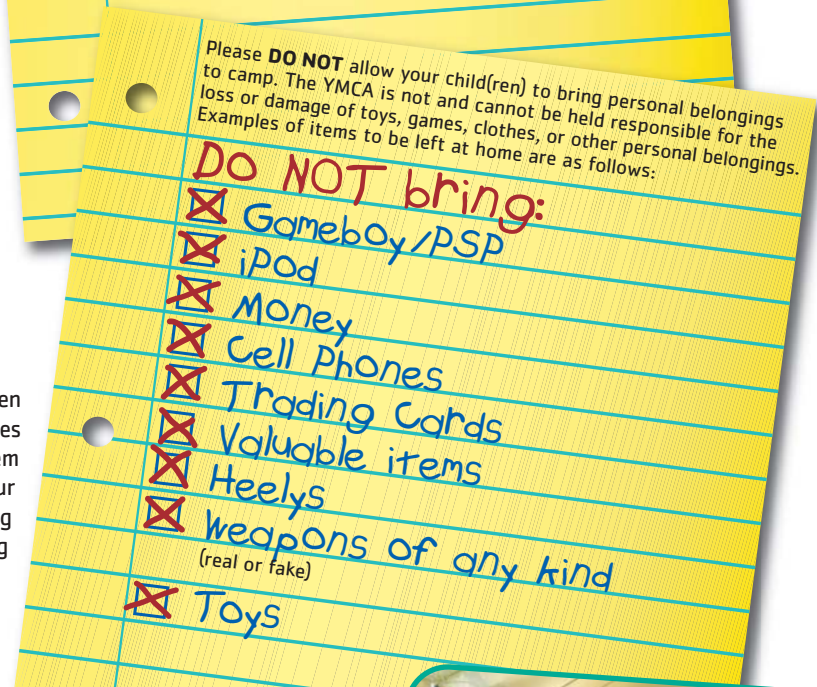

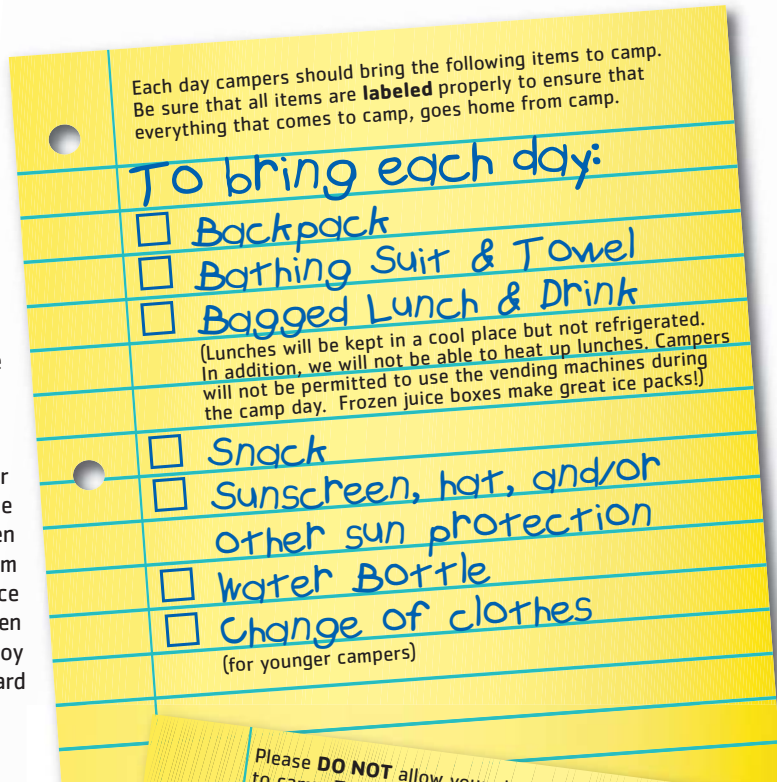

A. Absolutely. There are always a group of campers who have never been swimming before and our staff is ready to help. In addition to bubbles, noodles and other flotation devices, camp staff will work with campers to help them gain comfort in the water and improve their swimming. In addition to our summer camp, the South Shore YMCA also offers instructional swimming lessons throughout the summer. You may enhance your child's swimming ability by enrolling them in one of these classes outside of camp time.

Q. When and what is Parent/Camper Welcome Night?

A. Parent/Camper Welcome Night will be held on Friday June 22nd from 5:00-6:30 p.m. at both our Quincy and Canton sites. Families will have the opportunity to meet the staff, tour the facility, and have any last minute questions answered. In addition, at Welcome Night, families will be given the opportunity to "pre-check-in" for the first day of camp. If your camper's paperwork and payments are up to date, you will be given a pass giving you the ability to skip the first day check-in line on June 25th.

Q. What should my child wear to camp?

A. The most important thing when getting ready in the morning is to make sure the camper is comfortable for the day's weather. In addition, closed-toed shoes should be worn every day, as campers will be very active throughout the day. Another handy rule of thumb when getting ready for camp is "Don't dress in your best, cause you may get a mess."
