BUILDING STRONG BRIGHT FUTURES

Our educationally based childcare programs provide a safe, healthy environment with age appropriate indoor and outdoor physical space and equipment to facilitate each child's learning and development. We are conveniently located at One Heritage Drive in North Quincy, MA.

- The SOUTH SHORE YMCA's Early Learning Center – North Quincy is committed to quality. All programs are licensed by the MA Department of Early Education and Care.
- Children bring a lunch, while the program provides healthy drinks and snacks.
- Rolling admissions based on availability.
- Full and part time options are available for Infant, Toddler, Preschool, Pre-K and Multi-Age Kindergarten children to meet family's childcare needs.
- The South Shore YMCA is a charity. Dollars raised through charitable gifts to our Annual Campaign ensure financial assistance and accessibility to programs and services for all. Applications available at ssymca.org

The SOUTH SHORE YMCA does not discriminate on the basis of race, religion, cultural heritage, political belief, marital status, disability, sexual orientation, gender identity or toileting status.

THE BETTER YOU BELONGS HERE

The SOUTH SHORE YMCA is committed to strengthening our communities by nurturing the potential of children, promoting healthy living, and fostering a sense of responsibility.

Our **Infant** program provides the necessary attention and flexible schedules to meet each child's developmental needs.

Toddlers receive guidance and support from a warm, caring staff. Open-ended activities help toddlers learn through play as they navigate social situations, investigate cause and effect relationships, and build essential early language and motor skills.

The **Preschoolers** use their curiosity and imagination to become creative thinkers. Active and exuberant learners, they work on increasing the mastery of physical skills and develop positive self-image.

The curriculum for **Pre-K and Multi-Age Kindergarten** prepares children to become independent learners, develop self-confidence and social skills for sharing in a classroom setting. We focus on language and literacy development, math activities, science and nature, music and movement through many enrichment activities.

THE KIDZONE: Indoor Large Motor Activity Room

Developing habits for healthy living starts at an early age. The **KidZone** is our innovative indoor playground with engaging, challenging, and developmentally appropriate equipment designed to meet the needs of young children.

- Scooters and trikes to build balance and coordination
- Equipment for gross motor development
- Basketball hoops and balls to facilitate hand-eye coordination
- Tunnels and tents for special awareness
- Wheeled toys for pushing and pulling to build upper body strength

Time in the **KidZone** is part of every child's daily schedule where children will run, climb, crawl and skip their way to healthy minds and bodies.

EARLY LEARNING EDUCATORS

Our teachers have the educational qualifications, knowledge, and professional commitment necessary to promote children's learning and development through inquiry and hands-on experiences. **Jojo Reed**, Director Early Learning Center -North Quincy will lead our experienced team of educators to provide the best early education at our state-of-the-art child centered environment. Educators address each child's developmental needs and interests while emphasizing the YMCA character values of caring, honesty, respect, and responsibility. Our individualized instruction will help your child grow and succeed. Our educators proudly represent the cultural diversity of the community we serve.
