**Do Not Leave Your Child Alone in A Car, Even for One Minute!**

Always look before you lock. Make it a habit to check the backseat EVERY time you leave your car. Help put an end to these preventable tragedies by sharing these materials on social media and using hashtags #NotEvenForAMinute and #LookBeforeYouLock.

Please make sure your children have extra clothes in their cubbies. We’ll have lots of water play activities outside this summer and sometimes children get wet!
**Sunscreen/Insect Repellant**
The State Street ELC asks that families apply sunscreen with UVA and UVB SPF 30+ before school. The staff will re-apply sunscreen prior to heading outside. The sunscreen that will be re-applied will have UVA and UVB SPF 30+. All children must have signed permission slips located in their file. The State Street ELC does not apply insect repellant. Should there be a warning regarding high levels of insects (mosquito’s) the State Street ELC children will not be going outside.

**Double the impact of your donation!**
Thank you for your gift to the Early Learning Center on Member Giving Day! Please check with your company’s HR department to complete a simple form.

**Corporate Volunteer Day at the South Shore YMCA Family Farm**
