Financial Assistance Policy & Procedure

Financial assistance is made possible by charitable contributions from our Y friends and Y members during the Annual Campaign. If you are interested in volunteering for the Annual Campaign, please visit our website for more information: ssymca.org

Mission Statement: The South Shore YMCA is a not-for-profit association of individuals dedicated to improving the quality of life for all through programs that promote healthy, spirit, mind, and body. Rooted in Christian tradition and values, the YMCA seeks to serve all people regardless of age, gender, race, religion, or economic circumstances.

Policy Statement: It is the policy of the South Shore YMCA to provide services to all that wish them regardless of their ability to pay. While the YMCA sets fees at rates affordable to the majority of residents in our service areas, financial assistance is available to those who cannot afford the fees. Assistance is awarded based on each applicant's ability to pay and the funds available. **Eligibility:** Financial assistance will be granted based on the need demonstrated by household income, expenses and/or extenuating circumstances. Applicants are required to pay a portion of the program fee for which they are requesting assistance. This contribution demonstrates both a desire and a commitment to participate.
